Visions International Publishing. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. This is an inspirational guide with 101 short life lessons that will help you live a happier, healthier, and wealthier life and will make your life more enjoyable day-by-day, year-by-year. 101 Really Important Things You Already Know But Keep Forgetting addresses many inspirational, spiritual, and motivational topics related to success, personal development, stress management, and health, body and mind. This guide is about all those really important life lessons that virtually all of us have already learned but - for some mysterious reason - keep forgetting. Adopting even one of these sometimes basic - sometimes profound - 101 concepts of living will help you experience a more meaningful, more relaxed lifestyle filled with achievement, success, prosperity, happiness, and fulfillment. As an Amazon reviewer said, This book is better than therapy! There is not one page of this book that doesn't have meaning to everyone's personal life experiences. Another Amazon reviewer claims that this book has the most down-to-earth advice that you will ever encounter in a book. MANY of the ideas in here can't be found anywhere else, or at least explained the way they are here anywhere else. I'm a fan of logic, and this book starts out with an idea, then through simple logic and examples explains how that idea is true. However, some can be unpopular, but that doesn't stop Ernie. Such as 51: It doesn't cost much to be kind, but it can be very costly being too kind. What You Will Discover - or Rediscover - by Reading This Book Too much safety is dangerous for your well-being. Predict your failures and you will become a highly successful prophet. Don't buy expensive socks if you can never find them....
