Wheatmark. Paperback. Book Condition: New. Paperback. 181 pages. This book, and More Key Words and Expressions which followed it, have been hailed by reviewers as a unique and innovative idea. They give you the absolutely essential words that you need to navigate everyday French conversation. Not the textbook formal words but the expressions that real people in France use when they talk to each other. Youll learn when to use, and when not to use words and expressions like *truc*, *foutu*, *Oh-la-la*, *Coucou*, *payer en liquide*, and *merde*. Youll learn how to *faire un bis* quelqu'un, how to say you are sorry, what *les grandes surfaces* are, and how to tell someone to shut up. Youll learn what a *goter* is, and an *apritif dnatoire*. Youll find out that *Ce sale chat !* doesnt mean the cat is dirty, that *passer un exam* doesnt mean to pass the exam, and lots, lots more. And its all written in a conversational style with each word or expression explained and illustrated with examples in French and their translations in English. (Come to think of it, I havent found such books in any of the three foreign languages Ive...
