Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Oregon State University, United States, 2011. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book. In Potluck, Ana Maria Spagna explores the enduring human connection to place, journeying from Tijuana to a California beach to Utah s canyon country--and, always, back to the sparsely populated valley in the North Cascades she calls home. Potluck homes in on the everyday gatherings that, over time, define a community: a makeshift wedding, an art gallery opening, a farewell potluck, a work party, a campfire, a political caucus, a funeral. What connects us? Spagna asks, and she reveals, again and again, the gift of community--easy and uneasy, deep and enduring and essential.
