Brand New Book ***** Print on Demand *****.This is an sea story about Seymour, a mouse who finds himself on a British Navy sailing ship, the Revenge, under the command of Sir Francis Drake in the early 1590 s, heading for the Pacific Ocean to fight the Spanish. He has never been on a ship before, much less a naval vessel, and he has quite a lot of adjusting to do, both with the crew and the mice that are aboard. As Seymour adjusts to life upon a naval vessel, he realizes that something amazing has happened: not only can he understand the other mice that live aboard, he can understand the Captain and his crew! When the sailors discover this unique creature among them, they are determined to catch him, creating havoc on board. Hoping that he will be able to restore calm on the ship, Seymour presents himself to the Captain and offers his services. Drake is skeptical at first (might he be a spy for the French or Spanish?) but, after hearing Seymour speak, concludes that he might just have a valuable asset in the mouse. Unsure how he will use him, Drake immerses Seymour in all things nautical, and he is added to the crew. They soon encounter a Spanish galleon and during the battle, fog sets in and they find that their main lookout in the rigging gets killed in the fight. Suddenly Drake and the officers are without sight to steer the ship. Although afraid of heights, Seymour climbs up to the crows nest and directs the ship through the fog bank. They capture the Spanish ship and add it to their small fleet....
