

Single-Minded: Being Single, Whole and Living Life to the Full (1st New edition)

By Kate Wharton

Lion Hudson Plc. Paperback. Book Condition: new. BRAND NEW, Single-Minded: Being Single, Whole and Living Life to the Full (1st New edition), Kate Wharton, Our world, and indeed our church, seem to be built around a "couples culture". From popular music to supermarket offers to "family" events, being single can mean being the odd one out. Kate Wharton considers the challenges facing singles, addressing the issues of being complete without an "other half", staying pure, being single again after divorce or bereavement, and dealing with pressures from both church and society. Kate reminds us that Jesus comes to bring "life to the full", whatever our marital status. "When we are sold out for God," she says, "then life will be the very best that it can be - whether married or single, with children or without - because we will be on our way to becoming who we were created to be." Kate shows us how we can be single and whole.
