Reviews

It is an awesome book that we have possibly go through. It is actually writter in straightforward words and phrases and not confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

TREASURE OF THE BATTERSEA BLUFFS

Tate Publishing Company Feb 2015, 2015. Taschenbuch. Book Condition: Neu. 229x152x10 mm. This item is printed on demand - Print on Demand Neuware - In the old factory district of Petersburg, near the Appomattox River, sits a rundown Palladian Villa known as Battersea. Hidden beneath the floorboards of the east wing lies a skeleton that hasn't been disturbed for 240 years. During the Battersea Days celebration, a panicked mare charges through the villa and opens a hole in the floorboards with her plunging hooves. Sixteen-year-old Emily Grace and her boyfriend, Josh, stand frozen beside a display table as the horse is captured. Curiosity overshadowing caution, Em steps over to the hole and peers inside. Spying something in the cavity, Em reaches under the planks and unknowingly grasps the delicate finger bones of the skeleton. A vision explodes in her mind. A young girl in colonial-style clothes struggles with a man twice her size. The man slaps her, and she falls, hitting her head on a stack of bricks. Em jerks her hand back in horror as she begs, No, God, no. She pushes to her feet, and vertigo hits her with a vengeance. She staggers a few steps, collapses to the floor, and passes out. In *Treasure of the Battersea Bluffs*, Em and Josh are unwittingly whisked back in time to the eighteenth century. As the teens struggle to save the life of the young girl from Em's vision, their interference incurs the wrath of her would-be assailant, Angus Blackburn, and inadvertently draws the teens into his obsessive search for a Scottish Lord's stolen gems. 194 pp. Englisch.
