## Northland Footprints

By Kenneth Conibear

Trafford Publishing, Canada, 2000. Paperback. Book Condition: New. 218 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a realistic novel of the Canadian Northwest, situated on Little Bent Tree Lake in Canada's Northwest Territories, in which animals are the chief characters. It describes with humour, drama and pathos a whole community of animals and birds and their unceasing struggle to live. It is neither a fantasy nor a treatise. It is fiction, with creatures of the world playing the main parts in the drama- the beaver, the muskrat, the silver fox, the whiskey-jack, wolverine and many others. Along with all the emotions that make any story worth reading- love, hate, fear, envy- here are such animal/human qualities as heroism, devotion, mother love, fidelity, cunning, all portrayed through the lives of the book's characters. Their loves, hunger, feasts, fights, sadness, gladness, deaths, their interrelations, the part played in their lives by winter, summer, the snows, the winds, the buildings of the beaver, the introduction of fear into their lives because of the introduction of man, the hunter/trapper- these are combined into a unified plot which draws to an exciting climax.

### Reviews

*This pdf is wonderful. It is definitely simplified but excitement from the 50 percent in the ebook. You won't sense monotony at any time of your time (that's what catalogues are for relating to should you request me).*

-- **Jaqueline Kerluke**

*I just started looking at this pdf. It can be really fascinating through studying period of time. It's been printed in an extremely basic way and is particularly only following I finished reading through this publication where in fact altered me, change the way I really believe.*
