DINOSAURS LOVE UNDERPANTS BOOK AND TOY

Simon & Schuster. 1 Book & Toy(s), 2013. soft. Book Condition: New. "Dinosaurs were all wiped out, / A long way back in history. / No one knows quite how or why, / Now this book solves the mystery." In their follow-up to Aliens Love Underpants, Claire Freedman and Ben Cort uncover the real reason why dinosaurs went extinct. This set, for readers up to 7, includes a laminated hardback edition of Dinosaurs Love Underpants and a 7-inch plush toy dino who somewhat resembles the T-rex in the book (although blue instead of red). Ever since Aliens Love Underpants appeared in 2007, British children's book author Claire Freedman and illustrator (and avowed tin robot and comic book fan) Ben Cort have been entertaining us with their madcap rhymes and hilarious painted cartoons celebrating the universal appeal of a really colorful pair of nice stretchy undies. 26.
