### ***Reviews***

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## BLIZZARDS

Lerner Classroom. Paperback / softback. Book Condition: new. BRAND NEW, Blizzards, Michael Woods, Mary B Woods, A winter snowfall can be beautiful. But if conditions call for dense snow, freezing temperatures, and bone-chilling wind, you are in for a dangerous blizzard. These blinding, swirling storms can shut down roads and damage buildings. Violent winds can thrash vehicles driving on icy roads. Snowdrifts can pile up to block streets or even cover houses. Blizzards can knock out power and threaten the lives of people stranded inside for days or worse, those caught outside in the storm. With dramatic images and first-hand survivor stories plus the latest facts and figures this book shows you blizzard disasters up close.
