Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from A Manual for Road Supervisors in Ohio: Containing the Provisions of Law Relating to the Duties of These Officers, With Notes of Decisions, Numerous Forms, and Practical Suggestions In this little manual, the author has tried to furnish supervisors a practical and cheap guide - to tell them, in plain language, what their duties are under the codified laws, and how to perform these duties. To this end, he has tried to give the substance of these laws, and of all reported decisions of our courts bearing on the subject, to give complete references to these laws and decisions, to furnish all necessary forms, to make such practical suggestions as seemed useful, to give a good index to all of this, and to arrange, classify, and have it published in such a way that it will be easy to refer to, and to carry about the person, or suitable to have in the office or library. The numbers at the beginning of each paragraph indicate the number of that paragraph in the chapter, each chapter...
