Fast Facts: Psoriasis (4th Revised edition)

By Alan Menter, Catherine Smith, Jonathan Barker

Health Press Limited. Paperback. Book Condition: new. BRAND NEW, Fast Facts: Psoriasis (4th Revised edition), Alan Menter, Catherine Smith, Jonathan Barker, Psoriasis can no longer be considered a mere skin disease - it is a spectrum of different conditions requiring a spectrum of different treatments. Yet the systemic and psychosocial consequences of the condition often go unrecognized. The fourth edition of this refreshingly readable handbook explores the potential to improve the quality of life of patients by reducing the range of comorbidities associated with psoriasis, including arthritis, cardiovascular disease and inflammatory bowel disease. Fast Facts: Psoriasis is packed with practical information on all aspects of this increasingly treatable disease, including: * a concise review of the immunologic and genetic aspects of the disease * a well-illustrated guide to clinical presentation and differential diagnosis * all management options, from topical treatments to current and emerging receptor-targeted therapies * a commonsense approach to management by rotating and combining therapies * a fully updated chapter on psoriatic arthritis Fast Facts: Psoriasis is essential reading for the primary care team, dermatology trainees and specialists in cardiology, gastroenterology and rheumatology who want to learn all about psoriasis but have little time to spare.

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
