BANK HOUSE BOOKS, United Kingdom, 2006. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.CONFUSED? YOU NEEDN'T BE Most people come away from Dan Brown's runaway bestseller, *The Da Vinci Code*, and the Hollywood blockbuster based up on it with a desire to know more. There's a lot more to know, but until now finding it out has involved hours of poring over weighty and impenetrable tomes, many by serious scholars, some by good guessers and a few by career mystifiers. Fortunately for us all, long-time armchair researcher and former Editor of *The Rennes-le-Chateau Observer*, GAY ROBERTS, has unravelled the separate threads and arranged them into what she calls an idiot's guide. All of the various mysteries and ramifications connected with the tiny French village are summarised and related to the whole subject in an easily digestible form to bring the reader up to speed on the progress of research so far. Is it all tosh and conspiracy theories? Or is it the route to revelations of earth-shattering significance? Perhaps it's neither - or both! This book puts you in possession of the basics you need to make your own mind up.
