Excerpt: . . . 12 purchases of raw and processed foods through the food stamp, WIC, school lunch, and other food relief programs. Californias potential share of these program dollars could be en-hanced through modifications and streamlining of the guidelines and regulatory oversight, both at the State and National levels. Specialty crop block grants managed through the State Depart-ments of Agriculture have been shown to be extremely effective in dealing with the wide range of products and regionally distinct dis-tribution channels for specialty crop product producers. A mationwide commitment to the viability and enhancement of specialty crop industries can be accomplished through increased in-vestment in these State-driven grants. Coordination with National and State nutrition policy can also create excellent partnerships with farmers in rural and urban communities. The second question you had asked, What are some of the ex-port-related challenges for California growers, particularly in light of...
