Halfway to Hollywood: Diaries 19801988

By Palin, Michael.

St. Martin's. 1 Cloth(s), 2009. hard. Book Condition: New. This second volume of Michael Palin's diaries (quite logically following 19691979: The Python Years) covers many momentous things that happened in his life through much of the 1980s, a decade in which the ties binding the Pythons loosened and they made their last film together Monty Python's Meaning of Life in 1983. Ranging here from hosting a memorable episode of the BBC's Great Railway Journeys in 1980 to acting in films like A Fish Called Wanda, Terry Gilliam's Time Bandits and Brazil, and his own film The Missionary, Palin ends with his preparations for the documentary that determined the new direction of his life: Around the World in 80 Days. "A man as intelligent and witty as Palin is worth the effort of getting to know." Washington Post 622.

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- **Jada Franecki II**

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
