

Beyond Early Literacy: A Balanced Approach to Developing the Whole Child

By Janet B. Taylor, Nancy Amanda Branscombe, Jan Gunnels Burcham

Taylor Francis Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 249 x 175 mm. Language: English . Brand New Book ***** Print on Demand *****.For early childhood classrooms - where curriculum is increasingly shaped by standards and teachers are pressed for time - *Beyond Early Literacy* offers a literacy method that goes beyond simply developing language arts skills. Known as *Shared Journal*, this process promotes young children's learning across content areas - including their communication and language abilities, writing skills, sense of community, grasp of diverse social and cultural worlds, and understanding of history, counting, numeracy, and time. Pairing interactive talk with individual writing in the classroom community, this rich method develops the whole child. Special features include: * sample lesson plans, rubrics, and templates throughout the book * children's artifacts, including examples of oral and written work * teacher accounts examining the use of *Shared Journal* in the classroom, including strategies and suggestions * a Companion Website with templates, additional resources, and video clips of in-classroom teaching and examples of exciting ways to use new technologies. This two-part book is first framed by current theory and research about children's cognitive, language, and literacy development, and an...
