A.--The congratulations attending the reduction of the French power in Nova Scotia were soon damped, upon intelligence that several English attacks upon Canada had been frustrated, that Louisburg had been reinforced, and that the Indians were let loose upon the defenceless English settlements. Q.--What measure was forthwith adopted in Nova Scotia? A.--Aware that if the French again made an irruption into Nova Scotin, they would exact contributions and assistance from the Acadians, Lieutenant Governor Lawrence and his Council, on the 28th of July, 1755., otter grave debate, and with the approval of Admirals Bos coven and Moystyn, resolved to expel the Acadians from the Province, and disperse them among the other British colonies. Q---What was the state of the Acadians at this time? A-- I he whole number of these people was 18,000 souls; and they are described ns living in...
