GUIDE TO THE STUDY OF MEDIEVAL HISTORY: FOR STUDENTS, TEACHERS, AND LIBRARIES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Guide to the Study of Medieval History: For Students, Teachers, and Libraries Bibliography, presents a classified list of the most important special books and articles which will guide students in making reports and in preparing papers, but which is particularly designed for mature readers and for investigators who desire a survey of the most important literature in the fields in which they are Interested. Ordinarily the literature on a given subject is thus divided under B, Special Recommendations for Reading, and C, Bibliography, and should be sought for under both headings. At the end of each section are listed the special bibliographies which must be consulted by those who wish to pursue the subject to its ultimate limits. While the mimeographed syllabi mentioned above were designed for only certain grades of college students, this printed Guide has been modified and augmented so as to appeal to all classes of students and readers who have advanced beyond the textbook stage and who have access to good libraries. It is hoped that teachers will find it useful and that librarians will give it a place among their books of reference. The task of selection, which is always difficult, has been rendered peculiarly delicate by the plan to make the book appeal to so wide a circle of readers. The present resources and the future needs of the University of California Library have been made the basis of selection. In this Guide there are listed all books, valuable for a study of medieval history, which now are in this library, and in addition, all others on this subject, which, in the opinion of the author, should be acquired...
