If you're like most women, you're still climbing out of a hole created by the worst economic recession since the Great Depression. If that's not enough angst to deal with, your boss wants it yesterday, your kids want it today, and your spouse wants it tonight. We also face an onslaught of time-sucking distractions: the Internet, email following you everywhere, Facebook, Twitter, texting, and virtual relationships all competing with our ability to accomplish Big Things in our lives. No wonder we don't have time for fun and sex! No wonder undertaking new goals seems like just another impossible dream on an ever-growing list of banished aspirations. Vickie Milazzo, a New York Times bestselling author and an Inc. Top 10 Entrepreneur, knows all too well that choices for women are abundant today. But who needs more work, more stress, or more responsibilities without the wicked strategies to handle them all? For twenty-nine years, Vickie has mentored thousands of women to achieve wicked success everything from obtaining overdue promotions to creating million-dollar businesses. This book makes that same personal mentoring yours. And you don't have to give up your life, your time, or your relationships to be wickedly successful. Vickie won't disrespect you with pat answers or new-age mumbo-jumbo. She won't promise you a four-hour work week, a corner office, ten pounds off in ten days, or that Mars will ever begin to understand Venus. Connect with Vickie and you'll begin thinking and acting in a more exaggerated, uncommonly wicked way to reach out and finally grasp the success you desire. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Audio CD.
