Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This monograph analyzes the history of United States Army leadership doctrine from 1983 through 2011 to identify the evolution of strategic leadership theory and practice in Army doctrine. Using leadership doctrine, the focus is on the analysis of the articles, reports, opinions, studies, and research papers surrounding each doctrinal publication. This research uses an analytical approach across the timeline of leadership doctrine by understanding each approved doctrine, reviewing the intellectual debate within the Army institution and across other leadership disciplines, examining the doctrinal changes in the published documents, and exploring the future of proposed strategic leadership doctrine. Beginning with the renewed emphasis on tactical, direct leadership attributes published in 1983, the omission of operational and strategic leadership in the doctrine identified a gap in addressing leadership at all levels within the Army. Following executive level leadership discourse in the 1980s, the publication of FM 22-103, Leadership and Command at Senior Levels in 1987 established the first doctrinal framework for command and leadership above the direct, tactical level for the Army. Coupled with the 1993 AR...
