Christian Focus Publications Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book. What does the Bible teach about Divorce? May a Christian remarry during the lifetime of a divorced partner? With the increasing number of divorces and second marriages, such questions now touch every family and every church. Cornes addresses these and other questions in a comprehensive and balanced manner. Cornes begins his book with a theology of marriage and singleness, examining all the significant Old and New Testament passages. He concentrates especially on the teaching of Jesus and the interpretation of that teaching by Paul and the early church. The second part of the book discusses the implications of the biblical teaching of pastoral ministry in the local church, dealing with a host of real life questions in a practical way.
