M.A. R 34: Journey to America and Back Dear General Maitland, Many thanks for your letter. I shall look out for R 34 s log most keenly, and the more since, in my own mind, I always fancied the dirigible against the aeroplane for the overhead haulage of the years to come. It s curious to think that R 34 s work has been, relatively, no more than young James Watts brooding over the kettle on his mother s hob. Watt, I expect, didn t realize the steam-loco (indeed, I believe he objected to it), but you, and every one aboard R 34, must have felt that you stood at the opening verse of an opening chapter of endless possibilities, and - I know what my own interest and pride were in seeing a dream shape itself and come true!
