Finding God s Grace in Divorce and Remarriage is an in-depth study of the subject of divorce and re-marriage. Bishop Hayes does a scholarly exegesis of virtually every passage of the New Testament that is germane to the topic. This treatise will attempt to draw back the curtains of misconception and stigma, and view with unprejudiced eyes the naked truths of Holy Scripture concerning divorce and re-marriage. The Christian teaching is that: religiously, divorce originally lay outside God s will, but politically had to be allowed because sin entered into the human family. Therefore, in the tension between the religious high ground of an idealistic state of no divorce, and the practical reality of political necessity which allows it, there are two basic ethical questions asked by Christians: 1, ) Is a Christian ever justified in seeking a divorce? 2.) Once divorced, may a Christian re-marry? This is a book that declares the grace of God to be extravagant in its reach.
